

## Camino Community Action Committee CCAC Guidelines for Mini Grants Winter 2025

**Criteria** – Project must benefit Camino residents and/or community in some way.

Primary consideration will be given to projects in one of these categories:

- Serving the school and/or children
- Increasing the beauty and/or safety of our community
- Fostering arts/entertainment
- Enhancing historical/cultural opportunities
- Improving the environment
- Providing recreational and/or outdoor opportunities

**Eligibility** – Applicants must be, or be sponsored by, a Camino non-profit or a non-profit serving Camino resident. Provide your 501(C)(3) number, unless you are connected to Camino School. We want to foster cooperation and collaboration, not competition. Funding for salaries, administrative costs, or ongoing expenses are not permitted. Funded components must be completed by Dec. 31, 2025. Individuals may apply for funding for no more than two projects per year. Specific projects are ineligible for grant funding after receiving funding for two consecutive grant cycles.

**Application** - Grant proposals that do not contain requested information or do not adhere to page limitations will not be eligible for funding. Five points will be given for overall quality of the application. You may delete the header in green on the application before submitting it.

**Amount/Range of Mini Grants** – Applicants can request up to \$600.00 for each project

**Application Deadline** – All applications must be received by email by 5:00 PM (PST) on Friday, March 7, 2025. No applications will be accepted after this deadline.

**Application Assistance** – If you have questions about eligibility or the application process, please contact Mark or Robin Stanley at 530-644-1631 or [birdwomanca@comcast.net](mailto:birdwomanca@comcast.net). Also, if you have any email problems, please contact us well before the deadline. Please see the sample budget at the end of this document.

**Notification** – Successful applicants will be notified by Friday, March 21, 2025.

**Follow-up** – Within a month of the completion of their project, successful applicants must submit a financial statement of how the money was used and a written summary of the project. This report is due no later than January 31, 2026. We would like to have 2 pictures of how the grant funding was used. Failure to submit this report will result in ineligibility for funding in 2026. Recipients may also be asked to come to a CCAC monthly meeting to share with the group how the grant money was used. A site visit may also be arranged.

**Sample Budget** – Please see the sample budget provided. In this hypothetical project, Camino School is requesting a grant to help offset the cost or redoing a playing field. The grant request would cover a portion of the cost of the \$2600.00 project. In addition to the grant funding, Camino School would contribute \$1000.00 and Doug Veerkamp Engineering would contribute \$1000.00 of in-kind materials and labor.
